

Mammoth Football Field Map

Mammoth Youth Football Home Games will be played on one of two different fields: The Mammoth High School Field or the Mammoth Elementary School Field.

ACCESS to BOTH FIELDS is from the Elementary School parking lot ... see map.

NOTE: The Elementary School Field does not have bleachers so spectators should bring their own lawn chairs or blankets.
CAUTION: At the same time our games are on the Elementary School Field, the High School may be playing games on their field so don't mistake the high school game activity for our games.

Directions to the Football Field

At the junction of U.S. Highway 395 and State Route 203, take the exit ramp onto State Route 203 headed west toward the town of Mammoth Lakes and proceed west about 1.4 miles to Meridian Blvd. Turn left (south) onto Meridian Blvd and proceed about .7 miles to the Elementary School access road on the right. Turn right onto this road and proceed to the school parking lot.

The **High School Football Field** is WEST of the Elementary School up on the side of a hill. At the west end of the parking lot, walk through the outdoor basketball courts and take the path leading up to the field .. you can see the scoreboard and light towers.

The **Elementary School Football Field** is behind and to the northeast of the school. There is colorful playground equipment on the east side of the Elementary School. Go to this playground equipment and follow the path along that side of the school to the field in back.
